REFRIGERATED DISPLAY (GRAB & GO)

MODELS | MAT700L

MAT SERIES – REFRIGERATED DISPLAY 4 SHELVES

Display your grab and go items in style while keeping them chilled.

CABINET CONSTRUCTION

Heavy duty construction includes 430 type stainless steel exterior with a 304 type stainless steel interior and an overall 47-1/8" working height.

REFRIGERATION SYSTEM

Environmentally safe R404A refrigerant. Bottom-mounted condensing unit positioned for easy maintenance.

Maintains a temperature range from 2°C to 10°C. Includes automatic defrost setting with an internal condensation evaporator that eliminates the need for drain connection.

STORAGE

Includes (4) 45" x 12" adjustable steel shelves that each come with molding price.

MODEL FEATURES

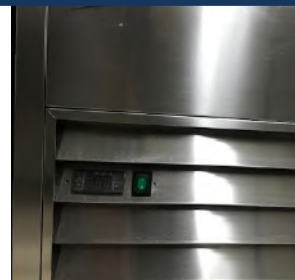

Comes with 4 stainless steel shelves with adjustable height that each include a brilliant internal LED illumination.

Energy-saving night cover included for off hours.

Backlit top panel to capture customers' attention. Front glass panel 7" tall for a modern and sleek style.

SPECIAL FEATURES

- Brilliant internal LED illumination each shelf
- Digital temperature control and display
- Stainless steel shelves
- 4 casters with 2 brakes
- 2 sides safety glass
- Stainless steel
- Night curtain to save energy
- Ventilated cooling system
- Automatic defrost
- Condensation water evaporated automatically
